

# How To Create A Medicines Complete Account For BNF

Go to <https://about.medicinescomplete.com/registration/>

Do not pay. Register as a NHS User.

## Register as a NHS user for access to BNF and BNF for Children content on MedicinesComplete

If you're a UK-based individual undertaking work or training for the NHS, please fill in your details to create a MedicinesComplete account.

Scroll down and complete these details:

Organisation email = Enter your Buckingham email address

Organisation = University of Buckingham Medical School

Country = Select United Kingdom (UK)

Sector = Select Academia

Job role = Select Clinical - Student

Job level = Select Clinical – Other

Agree to the statements.

Tick the box if you want the newsletters

Tick “Not a robot” and register

They will send a confirmation email from Pharmaceutical Press where you set your P/W

Almost done... you must create your MedicinesComplete password now to complete your account set-up.

You won't be able to access your account if you don't complete this step.

Must be at least 8 characters long and contain at least one capital letter, one lower case letter and one number.

Submit

Then add this to your bookmarks:
