

Country	Qualification	Minimum requirements
	A Levels	We require a minimum of ABB to include Chemistry or Biology, General Studies is not accepted. Applicants who have not completed an A Level in Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B. A Level Resits: Only applicants who attain BBB at their first A Level attempt and significant mitigation can apply with a resit. Applicants with lower grades at their first A Level attempt and significant mitigation can apply after they have attained the required grades of ABB. Predicted grades will not be considered for such applicants.
	Scottish Advanced Highers	We require a minimum of AABBB at S5 level with 2 Advanced Highers to include Chemistry and one from Biology or Maths at a minimum of BB.
	Welsh Baccalaureate	We require a Grade A or B in the Welsh Baccalaureate in lieu of a third A Level, we will still require Chemistry or Biology A-Levels. Combined ABB.
	International Baccalaureate	We require a minimum of 34 points overall, to include 3 HL subjects. You must achieve at least H6 in Biology or Chemistry but taken both and achieved at least a H5 in the other. (Please note the overall points score does not include your Theory of Knowledge or Extended Essay).

	European Baccalaureate	We require a minimum overall score of 76% with 7+ in Chemistry and 7+ in one from Biology or Mathematics and 7+ in one other subject. Biology, Mathematics and English must be offered.
	The University of Buckingham CertHE Medical Sciences (Pre- Med)	We require a minimum of 70%.
	UK Science Degree	We require a minimum classification of a 2:1 or above in a subject cognate to Medicine.
Afghanistan	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Albania	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Algeria	Secondary School leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

Angola	Secondary School Leaving Certificate (Habilitação Liberárias)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Antigua and Barbuda	Caribbean Advanced Proficiency Examination (CAPE)/ CXC associate degree	We require two, two-Unit level subjects, to include Chemistry or Biology, with a minimum score of Grade II, II.
Argentina	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Armenia	Certificate of Basic Education	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Australia	High School Certificate (HSC), (VCE), (WACE), (TCE), (SACE), (NTCET)	We require a minimum ATAR score of 90 including a successful completion of the relevant regional Year 12 Certificate. This must include Chemistry or Biology with minimum scores of 75. Other grading systems are also considered.

	Queensland Certificate of Education (QCE) Bachelor's degree/ Bachelor's Honours degree	We require a minimum BBB and must include Chemistry or Biology. We require a Bachelor's/Bachelor's Honours degree with a minimum of 64% in a degree cognate to medicine or equivalent. Other grading systems also considered.
Austria	Secondary School Leaving Certificate (Reifeprüfungszeugnis / Maturazeugnis)	We require a minimum score of 1 in Chemistry or Biology but taken both, with no less than 2 in two other subjects.
Azerbaijan	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Bahamas	Bahamas Junior Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

Bahrain	Secondary School Leaving Certificate (Tawjahiya)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Bangladesh	Higher Secondary Certificate (HSC)/ Intermediate certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bachelor's degree	We require a 4-year bachelor's degree with a minimum of a 1 st class in a subject cognate to Medicine.
Barbados	Caribbean Advanced Proficiency Examination (CAPE)/ CXC Associate degree	We require two, two-Unit level subjects, to include Chemistry or Biology, with a minimum score of Grade II, III.
Belgium	Secondary School Leaving Certificate (Diploma van Hoger Secundair Onderwijs, Certifact d'Enseignement Secondaire supérieur or Abschlusszeugnis der Oberstufe des Sekundarunterrichts)	We require the Diploma van Hoger Secundair Onderwijs, Certifact d'Enseignement Secondaire supérieur or Abschlusszeugnis der Oberstufe des Sekundarunterrichts with an overall average score of 7 or 70%, including 7 in Chemistry or Biology.

Bermuda	Bermuda School Certificate or Degree	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Botswana	Botswana General Certificate of Secondary Education Examination (BGCSE)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Master's degree	We require a master's degree with a minimum classification of a 2:1.
Brazil	Título de Técnico	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bacharel/ Licenciado/ Licenciatura or Título Profissional	We require the Bacharel or Licenciado/ Licenciatura or Título Profissional when awarded after a minimum of four years of study achieving 7.0/ muito bom.

Brunei	Cambridge GCE A Levels	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed an A' level in Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a Grade B.
Bulgaria	Secondary School Leavers Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Burma (Myanmar)	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Cameroon	Cameroon Baccalaureate	We require the Cameroon Baccalauréat with at least 15 out of 20, including a minimum of 15 in Chemistry or Biology.
Canada	Secondary School Diploma (All Provinces and Territories)	We require a minimum cGPA of 85% across six Grade 12 subjects, with no less than 80% in Chemistry or Biology.
	Bachelor's degree	We require a bachelors degree in a subject cognate to Medicine with one of the following: cGPA of 2.6 (4.0 scale), <u>or</u> cGPA of 2.7 (4.3 scale), <u>or</u> 68%.

Chile	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
China	Senior Secondary School Graduation Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bachelor's degree	We require a minimum cGPA of 3.0 (4.0 scale) or 4.0 (5.0 scale) in a subject cognate to Medicine.
Croatia	Matriculation Certificate (Maturalna Svjedodzba)	We require the Matriculation Certificate (Maturalna Svjedodzba) with scores of 5 in Biology or Chemistry and no less than 4 in all other subjects.
Cyprus	Secondary School Leaving Certificate (Apolytrion)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Czech Republic	Secondary School Leaving Certificate (Vysvědčení o Maturitní Zkoušce)	We require a minimum of Grade 1 in Chemistry or Biology but taken both, with no less than 2 in two other subjects.

	Degree	We require a six-year Magister or a bachelor's degree (post-2001) with Grade 1
Denmark	Senior High School Examination	We require a minimum overall average Grade 10 with no less than Grade 10 in Chemistry or Biology.
Ecuador	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Egypt	Certificate of General Secondary Education	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bachelor's degree	We require either a bachelor's degree from the American University in Cairo or from the Ain Shams University with a minimum of 75%.
Estonia	Secondary School leavers Certificate (Gümnaasiumi lõputunnistus)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

Ethiopia	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Finland	Secondary School Leaving Certificate (Ylioppilastutkinto / Studentexamen (Matriculation Examination))	We require a minimum of four subjects to include two subjects at Grade 6 and two subjects at Grade 5, including Chemistry or Biology.
France	Diplôme du Baccalauréat Professionnel	We require a minimum of 13 overall points, with at least 13 in Chemistry-Physics and Biology.
	Bachelor's degree	We require a minimum of 11.10/20.00
Gambia	Wester African Senior School Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

Germany	Secondary School Leaving Certificate (Zeugnis der Allgemeinen Hochschulreife/ Abitur)	We require an overall average of 2.1, to include Chemistry or Biology.
	Bachelor's degree	We require a minimum of Good (Gut).
Ghana	Senior Secondary School Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Greece	Secondary School leaving Certificate (Apolitryon)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Guatemala	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

Guyana	Caribbean Advanced Proficiency Examination (CAPE)/ CXC Associate degree	We require two, two-Unit level subjects, to include Chemistry or Biology, with a minimum score of Grade II, II.
Hong Kong	Hong Kong Advanced Level Certificate (HKALE)/ Hong Kong Diploma of Secondary Education (HKDSE)	We require minimum grades of ABB in HKALE or five level 3 or above in HKDSE, including Chemistry or Biology.
	Bachelor's degree (Honours)	Second Class (Division 1) Honours, Second Class (Division 2) Honours in a degree cognate to medicine.
Hungary	Secondary School Leaving Certificate (Erettségi/ Matura)	We require a minimum of four subjects at 5 and one subject at 4, including Chemistry or Biology at advanced level (emelt szintu) with at least 60%.
India	National Boards CBSE/ISC Standard XII	We require a minimum overall score of 75% with no less than 80% in Chemistry or Biology.
	State Boards	We require a minimum overall score of 80% with no less than 80% in Chemistry and Biology.
	Professional Bachelor's degree	We require a professional bachelors degree in a subject cognate to Medicine with a minimum score of 7.6/10.
	Bachelor of Science	We require a Bachelor of Science in a subject cognate to Medicine with a minimum of a Second.

Iran	Diplom-Metevaseth	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to complete one of the below qualifications from Iran or take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Pre-University Certificate (Peeshdaneshgahe) in Empirical Sciences or Mathematical Sciences	We consider this qualification only in conjunction with the High School Diploma. Our minimum requirement is 17/20 in Grade 12 examinations (only sub-tracks of Empirical Sciences or Mathematical Sciences are accepted).
	Iran High School Diploma (Theoretical Stream)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	National University Entrance Examination (Konkur)	We require a minimum of grades ranging from 16.5/20 or 82%.
	Bachelor's degree	We require Pass in a science-based bachelor's degree (Licence or Karshenasi) with at least 15 / Grade B.

Iraq	Certificate of Preparatory Education/ Sixth Form Baccalaureate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Ireland	Irish Leaving Certificate	We require a minimum of H23333 to include Chemistry or Biology at H2.
Israel	Matriculation Certificate (Te'udat Bagrut)	We require a minimum of an overall average of 75% with at least three subjects at unit levels 4 or 5 to include Chemistry or Biology.
Italy	Diploma di Esame di Stato	We require a minimum of 83% across all subjects to include Chemistry or Biology.
Jamaica	Caribbean Advanced Proficiency Examination (CAPE)/ CXC Associate degree	We require two, two-Unit level subjects, to include Chemistry or Biology, with a minimum score of Grade II, III.
	Bachelor's degree	Second Class (Upper)
Japan	Graduation Certificate from a Technical High School/ Upper Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

	Bachelor's degree	We require a bachelor's degree with a GPA of 3.4 on a 4.0 scale in a subject cognate to Medicine.
Jordan	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Kenya	Kenya Certificate of Secondary Education (KCSE)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Kuwait	General Secondary Educational Certificate (Hahadat Al-Thanawayya Al-Aama)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Latvia	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

Libya	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Liechtenstein	Secondary School Leaving Certificate (Matura)	We require a minimum score of 5.5 in all subjects, including Chemistry or Biology.
Lithuania	Secondary School Leaving Certificate (Brandos Atestatas)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Luxemburg	Secondary School Leaving Certificate (Diplôme de Fin d'Études Secondaires)	We require a pass with a minimum overall score of 46, including Chemistry or Biology.
Malawi	Secondary School Leaving Certificate (Malawi School Certificate of Education) (MSCE)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

Malaysia	Sijil Pelajaran Malaysia (SPM/ Malaysia Certificate of Education)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take one of the options below, which are offered in Malaysia, or to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Malaysian Higher School Certificate (Sijil Tinggi Persekolahan Malaysia)	We require a minimum of A,B+,B+, including Chemistry or Biology.
	Matriculation Certificate (Matrikulasi)	We require a cGPA of at least 3.5 out of 4.0 in the Science stream, including Chemistry or Biology.
	Unified Examination Certificate (UEC)	We require a minimum of A2 in three subjects to include Chemistry or Biology, and B3 in all remaining subjects.
	Bachelor's degree	We require a bachelor degree with a cGPA of 3.3 on a 4.0 scale in a subject cognate to Medicine.
Malta	Advanced Matriculation Certificate Examination/ Matriculation Certificate Examination (from the University of Malta)/ A Levels	We require a minimum of grades AB in Chemistry or Biology in two Advanced Level subjects, and at least BBB at Intermediate level.
	A Levels	We require a minimum of ABB in A Levels, including Chemistry or Biology; applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.

Mauritius	Cambridge Overseas Higher School Certificate/ GCE A Levels	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.
Mexico	Bachillerato	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Morocco	Diplôme du Baccalauréat	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Namibia	Cambridge Overseas Higher School Certificate (COHSC) / GCE A Level	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.
Netherlands	Secondary School Leaving Certificate (Diploma Voorbereidend Westenschappelijk Onderwijs (VWO))	We require a minimum overall average of 7.5, including grades 8 in Chemistry or Biology, and no less than 7 in other two subjects.

New Zealand	University Entrance Certificate with National Certificates of Educational Achievement (NCEA)	We require a minimum of Level 3 with a minimum of 80 credits, including one Level 3 subject endorsed with Excellence and two Level 3 subjects endorsed with Merit.
Nigeria	Senior Secondary School Certificate (SSSC) or a West African Senior School Certificate (WASSC)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Norway	School Leaving Certificate from Upper Secondary School (Vitnemål fra den Videregående Skole)	We require a minimum overall average of 4.3 out of 6 in the Common Core Subjects, and grades 5 and 4 in Chemistry or Biology.
Oman	Secondary School Leaving Certificate (Thanawiya Amma)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Pakistan	Intermediate/ Higher Secondary Certificate/ Secondary School Certificate (SSC)/ Matriculation	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

Philippines	High School Diploma	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%. We require a GWA of 1.26-2.03.
	Bachelor's degree	
Poland	Certificate of Maturity (Swiadektwo Dojrzałości)	We require a minimum overall average score of 75% in all subjects. This must include an Advanced level Chemistry or Biology at 85%, and no less than 80% in two more Advanced level subjects.
Portugal	Secondary School Leaving Certificate (Certificado/ Diploma de Ensino Secundario)	We require an overall score of 17 or higher, including a minimum of 18 in Biology or Chemistry.
Qatar	Qatar General Secondary Educational Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Romania	Secondary School Leaving Certificate (Diploma De Bacalaureate)	We require the Diploma De Bacalaureate with an overall average of at least 8.3 with a minimum of 9 in Biology or Chemistry.

Russian Federation	Certificate of Unified State Examination	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Saudi Arabia	General Secondary Education Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bachelor's degree	We require applicants to hold a bachelor's degree with a minimum of 3.5 GPA out of 4 or 4.5 GPA out of 5 in a subject cognate to Medicine.
Sierra Leone	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Singapore	Cambridge A Levels	We require a minimum of three H2 subjects at ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.

South Africa	National Senior Certificate/ Senior Certificate (with Matriculation endorsement)	We require a National Senior Certificate with minimum grades 77666, including a grade 7 in Chemistry or Biology, or a Senior Certificate (with Matriculation endorsement) with minimum grades of AABBB, including a grade A in Chemistry or Biology.
	Bachelor's (Honours) degree	We require a minimum score of 60%.
South Korea	National Senior Certificate/ Senior Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Spain	Titulo de Bachiller	We require a minimum of 7.5 overall with grades 8.5, 7,7 in three subjects, including Chemistry or Biology.
Sri Lanka	Sri Lankan General Certificate of Education (Advanced Level)	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.
St Lucia	Caribbean Advanced Proficiency Exam (CAPE)	We require a minimum of II,III, to include Chemistry or Biology.

Sudan	Sudan School Certificate (SSC)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bachelor's degree/ Bachelor's (Honours) degree	We require a minimum of 70% in a bachelor's degree or a bachelor's (Honours) degree in a subject cognate to medicine.
Sweden	Secondary School Leaving Certificate (Avgångsbetyg / Slutbetyg från Gymnasieskola)	We require a minimum of ACC/ a minimum overall GPA of 17.5 to include Chemistry or Biology.
Switzerland	(French-speaking) Certificat de Maturité / Certificat de Maturité Cantonal reconnu par la Confédération/ (German-speaking) Maturitätsausweis / Eidgenössisch anerkanntes kantonales Maturitätszeugnis / (Italian-speaking) Attestato di Maturità / Attestato di Maturità Cantonale riconosciuto dalla Confederazione	We require a minimum overall mark of 4.5 out of 6.0, with at least 5.0 in Chemistry or Biology, and no less than 4.5 in all other subjects.

Syria	Secondary school leaving certificate (Al Shahada Al Thanawiya)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Taiwan	Senior High School Leaving Certificate/ Seni or High School Diploma	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Tanzania	A Levels	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.
Thailand	Certificate of Secondary Education/ Maw 6	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Trinidad and Tobago	Caribbean Advanced Proficiency Examination (CAPE)/ CXC Associate degree	We require two, two-Unit level subjects, to include Chemistry or Biology, with a minimum score of Grade II, II.

Tunisia	Baccalaureate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Turkey	Anatolian High School Diploma (Anadolu Lisesi)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
UAE	Secondary School Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Uganda	Uganda Advanced Certificate of Education (UACE)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

Ukraine	Secondary School Leaving Certificate (Atestat pro Povnu Zagal'nu Seredniu Osvitu)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
Uruguay	Titulo de Bachillerato Diversificado	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
USA	Advanced Placements	Obtain 443 in three AP subjects including Biology or Chemistry excluding AP Capstone Research and Seminar. OR 3 SAT subjects at 650+ including Biology or Chemistry
