

Country	Qualification	Minimum requirements
	<b>A Levels</b>	<p>We require a minimum of ABB to include Chemistry or Biology, General Studies is not accepted. Applicants who have not completed an A Level in Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.</p> <p>A Level Resits:  Applicants who attain BBB at their first A Level attempt can apply with a resit.  Applicants with lower grades at their first A Level attempt and significant mitigation can apply after they have attained the required grades of ABB. Predicted grades will not be considered for such applicants.</p>
	<b>Scottish Advanced Highers</b>	We require a minimum of AABBB at S5 level with 2 Advanced Highers to include Chemistry and one from Biology or Maths at a minimum of BB.
	<b>Welsh Baccalaureate</b>	We require a Grade A or B in the Welsh Baccalaureate in lieu of a third A Level, we will still require Chemistry or Biology A-Levels. Combined ABB.
	<b>International Baccalaureate</b>	We require a minimum of 34 points overall, to include 3 HL subjects. You must achieve at least HL6 in Biology or Chemistry but taken both and achieved at least a HL5 in the other. (Please note the overall points score does not include your Theory of Knowledge or Extended Essay).
	<b>European Baccalaureate</b>	We require a minimum overall score of 76% with 7+ in Chemistry and 7+ in one from Biology or Mathematics and 7+ in one other subject. Biology, Mathematics and English must be offered.
	<b>University of Buckingham CertHE Medical Sciences (Pre-Med)</b>	We require a minimum of 70%.

	<b>UK Science Degree</b>	We require a minimum classification of a 2:1 or above in a subject cognate to Medicine.
<b>Afghanistan</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Albania</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Algeria</b>	Secondary School leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Angola</b>	Secondary School Leaving Certificate (Habilitação Liberárias)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Antigua and Barbuda</b>	Caribbean Advanced Proficiency Examination (CAPE)/ CXC Associate Degree	We require a minimum of one Grade I unit and two Grade II units (I II II), to include Chemistry or Biology.

<b>Argentina</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Armenia</b>	Certificate of Basic Education	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Australia</b>	High School Certificate (HSC), (VCE), (WACE), (TCE), (SACE), (NTCET)	We require a minimum ATAR score of 90 including a successful completion of the relevant regional Year 12 Certificate. This must include Chemistry or Biology with minimum scores of 75.
	Queensland Certificate of Education (QCE)	We require a minimum overall position of 'band 4' across 5 subjects, in addition to a pass in the Queensland Certificate of Education, including Chemistry and Biology.
	Bachelor Degree/ Bachelor Honours Degree	We require a Bachelor/Bachelor Honours Degree with a minimum of 65%
<b>Austria</b>	Secondary School Leaving Certificate (Reifeprüfungszeugnis/ Maturazeugnis)	We require a minimum score of 1 in Chemistry or Biology but taken both, with no less than 2 in two other subjects.
<b>Azerbaijan</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

<b>Bahamas</b>	Bahamas Junior Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Bahrain</b>	Secondary School Leaving Certificate (Tawjahiya)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Bangladesh</b>	Higher Secondary Certificate (HSC)/ Intermediate certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bachelor's degree	We require a 4-year Bachelor's degree with a minimum of a 1 <sup>st</sup> class in a subject cognate to Medicine.
<b>Barbados</b>	Caribbean Advanced Proficiency Examination (CAPE)/ CXC Associate Degree	We require a minimum of one Grade I unit and two Grade II units (I II II), to include Chemistry or Biology.
<b>Belgium</b>	Secondary School Leaving Certificate (Diploma van Hoger Secundair Onderwijs, Certifact d'Enseignement Secondaire supérieur or Abschusszeugnis der Oberstufe des Sekundarunterrichts)	We require the Diploma van Hoger Secundair Onderwijs, Certifact d'Enseignement Secondaire supérieur or Abschusszeugnis der Oberstufe des Sekundarunterrichts with an overall average score of 7 or 70%, including 7 in Chemistry or Biology.

<b>Bermuda</b>	Bermuda School Certificate or Degree	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Botswana</b>	Botswana General Certificate of Secondary Education Examination (BGCSE)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Master's Degree	We require a Master's Degree with a minimum classification of a 2:1.
<b>Brazil</b>	Título de Técnico	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bacharel/ Licenciado/ Licenciatura or Título Profissional	We require the Bacharel or Licenciado/ Licenciatura or Título Profissional when awarded after a minimum of four years of study achieving 7.0/ muito bom.
<b>Brunei</b>	Cambridge GCE A Levels	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed an A' level in Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a Grade B.

<b>Bulgaria</b>	Secondary School Leavers Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Burma (Myanmar)</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Cameroon</b>	Cameroon Baccalaureate	We require the Cameroon Baccalauréat with at least 15 out of 20, including a minimum of 15 in Chemistry and Biology.
<b>Canada</b>	Secondary School Diploma (All Provinces and Territories)	We require a minimum cGPA of 80% across six Grade 12 subjects, with no less than 80% in Chemistry, Biology and Maths.
	Degree	We require a minimum cGPA of 2.9 (4.0 scale) in a subject cognate to Medicine.
<b>Chile</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>China</b>	Senior Secondary School Graduation Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

	Bachelor's degree	We require a minimum cGPA of 3.0 (4.0 scale) or 4.0 (5.0 scale) in a subject cognate to Medicine.
<b>Croatia</b>	Matriculation Certificate (Maturalna Svjedodzba)	We require the Matriculation Certificate (Maturalna Svjedodzba) with scores of 5 in Biology or Chemistry and no less than 4 in all other subjects.
<b>Cyprus</b>	Secondary School Leaving Certificate (Apolytrion)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Czech Republic</b>	Secondary School Leaving Certificate (Vysvědčení o Maturitní Zkoušce)	We require a minimum of Grade 1 in Chemistry or Biology but taken both, with no less than 2 in two other subjects.
	Degree	We require a six year Magister or a Bachelor Degree (post-2001) with Grade 1
<b>Denmark</b>	Senior High School Examination	We require a minimum overall average Grade 10 with no less than Grade 10 in Chemistry and one from Biology or Mathematics.
<b>Ecuador</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Egypt</b>	Certificate of General Secondary Education	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

	Bachelor's degree	We require either a Bachelor's degree from the American University in Cairo or from the Ain Shams University with a minimum of 75%.
<b>Estonia</b>	Secondary School leavers Certificate (Gümnaasiumi lõputunnistus)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Ethiopia</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Finland</b>	Secondary School Leaving Certificate (Ylioppilastutkinto / Studentexamen (Matriculation Examination))	We require a minimum of four subjects to include two subjects at Grade 6 and two subjects at Grade 5, including Chemistry and Biology.
<b>France</b>	Diplôme du Baccalauréat Général or the Option Internationale du Baccalauréat (OIB)  International Baccalaureate	We require a minimum of 13 overall points, with at least 13 in Chemistry-Physics and Biology.  We require a minimum overall score of 76% with 7+ in Chemistry and 7+ in one from Biology or Mathematics and 7+ in one other subject. Biology, Mathematics and English must be offered.

<b>Gambia</b>	Wester African Senior School Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Germany</b>	Secondary School Leaving Certificate (Zeugnis der Allgemeinen Hochschulreife/ Abitur)	We require an overall average of 1.8, with scores of at least 12 in Chemistry or Biology.
<b>Ghana</b>	Senior Secondary School Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Greece</b>	Secondary School leaving Certificate (Apolytrion)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Guatemala</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Guyana</b>	Caribbean Advanced Proficiency Examination (CAPE)/ CXC Associate Degree	We require a minimum of one Grade I unit and two Grade II units (I II II), to include Chemistry or Biology.

<b>Hong Kong</b>	Hong Kong Advanced Level Certificate (HKALE)/ Hong Kong Diploma of Secondary Education (HKDSE)	We require minimum grades of ABB in HKALE or 5,4,4 in HKDSE, including Chemistry and Biology.
	Degree (hons)	We require a cGPA of 3.0 on a 4.0 scale in a Degree subject cognate to Medicine.
<b>Hungary</b>	Secondary School Leaving Certificate (Erettségi/ Matura)	We require a minimum of four subjects at 5 and one subject at 4, including Chemistry and Biology at advanced level (emelt szintu) with at least 60%.
<b>India</b>	The Indian High School Leaving Certificate, Grade/Standard 12 (from CBSE, CISCE and State Boards of Examination only)	We require a minimum overall score of 75% at the end of Standard XII/ Grade 12 with no less than 80% in Chemistry or Biology.
	Tamil Nadu (Chennai)/Karnataka (Bangalore)	We require a minimum overall score of 80% at the end of Standard XII/ Grade 12 with no less than 80% in Chemistry and Biology.
	Professional Bachelor's degree	We require a Professional Bachelor's Degree in a subject cognate to Medicine with a minimum score of 65% <b><u>OR</u></b> BSc in a subject cognate to Medicine with a minimum of a Second Class.
<b>Iran</b>	Diplom-Metevaseth	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to complete one of the below qualifications from Iran or take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

	Pre-University Certificate (Peeshdaneshgahe) in Empirical Sciences or Mathematical Sciences	We consider this qualification only in conjunction with the High School Diploma. Our minimum requirement is 17/20 in Grade 12 examinations (only sub-tracks of Empirical Sciences or Mathematical Sciences are accepted).
	Iran High School Diploma (Theoretical Stream)	We require a minimum of 17 overall with 16 or above in two subjects, including Chemistry or Biology.
	National University Entrance Examination (Kunkur)	We require a minimum of grades ranging from 16.5/20 or 82%.
	Bachelor's Degree	We require Pass science-based Bachelor's degree (Licence or Karshenasi) with at least 15 / Grade B.
<b>Iraq</b>	Certificate of Preparatory Education/ Sixth Form Baccalaureate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Ireland</b>	Irish Leaving Certificate	We require a minimum of H2 H2 H3 H3 H3 H3 to include Chemistry or Biology at H2.
<b>Israel</b>	Matriculation Certificate (Te'udat Bagrut)	We require a minimum of an overall average of 75% with at least three subjects at unit levels 4 or 5 to include Chemistry and Biology.
<b>Italy</b>	Diploma di Esame di Stato	We require a minimum of 85% across all subjects to include Chemistry and Biology.
<b>Jamaica</b>	Caribbean Advanced Proficiency Examination (CAPE)/ CXC Associate Degree	We require a minimum of one Grade I unit and two Grade II units (I II II), to include Chemistry or Biology.

<b>Japan</b>	Graduation Certificate from a Technical High School/ Upper Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bachelor's Degree	We require a Bachelor's Degree with a GPA of 3.4 on a 4.0 scale in a subject cognate to Medicine.
<b>Jordan</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Kenya</b>	Kenya Certificate of Secondary Education (KCSE)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Kuwait</b>	General Secondary Educational Certificate (Hahadat Al-Thanawayya Al-Aama)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Latvia</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

<b>Libya</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Liechtenstein</b>	Secondary School Leaving Certificate (Matura)	We require a minimum score of 5.5 in all subjects, including Chemistry or Biology.
<b>Lithuania</b>	Secondary School Leaving Certificate (Brandos Atestatas)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Luxemburg</b>	Secondary School Leaving Certificate (Diplôme de Fin d'Études Secondaires)	We require a pass with a minimum overall score of 46, including Chemistry and Biology.
<b>Malawi</b>	Secondary School Leaving Certificate (Malawi School Certificate of Education) (MSCE)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Malaysia</b>	Sijil Pelajaran Malaysia (SPM/ Malaysia Certificate of Education)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take one of the options below, which are offered in Malaysia, or to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

	Malaysian Higher School Certificate (Sijil Tinggi Persekolahan Malaysia)	We require a minimum of AB+B+, including Chemistry and Biology.
	Matriculation Certificate (Matrikulasi)	We require a cGPA of at least 3.5 out of 4.0 in the Science stream, including Chemistry and Biology.
	Unified Examination Certificate (UEC)	We require a minimum of A2 in three subjects to include Chemistry and Biology, and B3 in all remaining subjects.
	Bachelor Degree	We require a Bachelor Degree with a cGPA of 3.3 on a 4.0 scale in a subject cognate to Medicine.
<b>Malta</b>	Advanced Matriculation Certificate Examination/ Matriculation Certificate Examination (from the University of Malta)/ A Levels	We require a minimum of grades AB in Chemistry or Biology in two Advanced Level subjects, and at least BBB at Intermediate level.
	A Levels	We require a minimum of ABB in A Levels, including Chemistry or Biology; applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.
<b>Mauritius</b>	Cambridge Overseas Higher School Certificate/ GCE A Levels	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.

<b>Mexico</b>	Bachillerato	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Morocco</b>	Diplôme du Baccalauréat	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Namibia</b>	Cambridge Overseas Higher School Certificate (COHSC) / GCE A Level	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.
<b>Netherlands</b>	Secondary School Leaving Certificate (Diploma Voorbereidend Westenschappelijk Onderwijs (VWO))	We require a minimum overall average of 7.5, including grades 8 in Chemistry and Biology, and no less than 7 in other two subjects.
<b>New Zealand</b>	University Entrance Certificate with National Certificates of Educational Achievement (NCEA)	We require a minimum of Level 3 with a minimum of 80 credits, including one Level 3 subject endorsed with Excellence and two Level 3 subjects endorsed with Merit.
<b>Nigeria</b>	Senior Secondary School Certificate (SSSC) or a West African Senior School Certificate (WASSC)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

<b>Norway</b>	School Leaving Certificate from Upper Secondary School (Vitnemål fra den Videregående Skole)	We require a minimum overall average of 4.3 out of 6 in the Common Core Subjects, and grades 5 and 4 in Chemistry and Biology.
<b>Oman</b>	Secondary School Leaving Certificate (Thanawiya Amma)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Pakistan</b>	Intermediate/ Higher Secondary Certificate/ Secondary School Certificate (SSC)/ Matriculation	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Poland</b>	Certificate of Maturity (Swiadcetwo Dojrzałości)	We require a minimum overall average score of 75% in all subjects. This must include an Advanced level Chemistry or Biology at 85%, and no less than 80% in two more Advanced level subjects.
<b>Portugal</b>	Secondary School Leaving Certificate (Certificado/ Diploma de Ensino Secundario)	We require an overall score of 17 or higher, including a minimum of 18 in Biology or Chemistry.
<b>Qatar</b>	Qatar General Secondary Educational Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

<b>Romania</b>	Secondary School Leaving Certificate (Diploma De Bacalaureate)	We require the Diploma De Bacalaureate with an overall average of at least 8.3 with a minimum of 9 in Biology or Chemistry.
<b>Russian Federation</b>	Certificate of Unified State Examination	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Saudi Arabia</b>	General Secondary Education Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bachelor Degree	We require applicants to hold a Bachelor's Degree with a minimum of 3.5 GPA out of 4 or 4.5 GPA out of 5 in a subject cognate to Medicine.
<b>Sierra Leone</b>	Secondary School Leaving Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Singapore</b>	Cambridge A Levels	We require a minimum of three H2 subjects at ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.

<b>South Africa</b>	National Senior Certificate/ Senior Certificate (with Matriculation endorsement)	We require a National Senior Certificate with minimum grades 77666, including a grade 7 in Chemistry or Biology, or a Senior Certificate (with Matriculation endorsement) with minimum grades of AABBB, including a grade A in Chemistry or Biology.
<b>South Korea</b>	National Senior Certificate/ Senior Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Spain</b>	Titulo de Bachiller	We require a minimum of 7.5 overall with grades 8.5, 7,7 in three subjects, including Chemistry or Biology.
<b>Sri Lanka</b>	Sri Lankan General Certificate of Education (Advanced Level)	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.
<b>Sudan</b>	Sudan School Certificate (SSC)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
	Bachelor Degree/ Bachelor (Honours) Degree	We require a minimum of 70% in a Bachelor Degree or a Bachelor (Honours) Degree in a subject cognate to medicine.

<b>Sweden</b>	Secondary School Leaving Certificate (Avgångsbetyg / Slutbetyg från Gymnasieskola)	We require a minimum of ACC/ a minimum overall GPA of 17.5 to include Chemistry or Biology.
<b>Switzerland</b>	(French-speaking) Certificat de Maturité / Certificat de Maturité Cantonal reconnu par la Confédération/ (German-speaking) Maturitätsausweis / Eidgenössisch anerkanntes kantonales Maturitätszeugnis / (Italian-speaking) Attestato di Maturità / Attestato di Maturità Cantonale riconosciuto dalla Confederazione	We require a minimum overall mark of 4.5 out of 6.0, with at least 5.0 in Chemistry or Biology, and no less than 4.5 in all other subjects.
<b>Syria</b>	Secondary school leaving certificate (Al Shahada Al Thanawiya)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Taiwan</b>	Senior High School Leaving Certificate/ Seni or High School Dipolma	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

<b>Tanzania</b>	A Levels	We require a minimum of ABB to include Chemistry or Biology. Applicants who have not completed Biology or Chemistry should have studied the subject to GCSE level (or equivalent) and achieved at least a grade B.
<b>Thailand</b>	Certificate of Secondary Education/ Maw 6	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Trinidad and Tobago</b>	Caribbean Advanced Proficiency Examination (CAPE)/ CXC Associate Degree	We require a minimum of one Grade I unit and two Grade II units (I II II), to include Chemistry or Biology.
<b>Tunisia</b>	Baccalaureate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Turkey</b>	Anatolian High School Diploma (Anadolu Lisesi)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>UAE</b>	Secondary School Certificate	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.

<b>Uganda</b>	Uganda Advanced Certificate of Education (UACE)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
<b>Ukraine</b>	Secondary School Leaving Certificate (Atestat pro Povnu Zagal'nu Seredniu Osvitu)	This Qualification is not sufficient. To apply for the MB ChB programme, you would first have to take additional qualifications such as A Levels or the International Baccalaureate. Alternatively, we would accept the University of Buckingham CertHE Medical Sciences (Pre-Med) with a minimum of 70%.
